**About BCWSA's Charity Golf Outing**

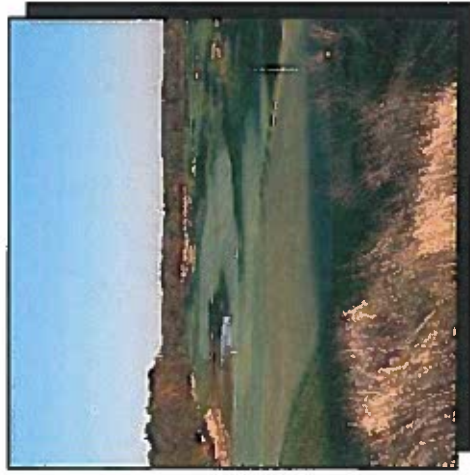

Each year, BCWSA hosts a charitable golf outing to raise funds and awareness about organizations in need right here, in Bucks and Montgomery Counties. Over the years, with our combined efforts with various organizations, we have raised significant funds that have some affect on our employees.

*Twilight Wish* is an organization that addresses the unmet needs of the elderly. The mission of Twilight Wish Foundation is to honor and enrich the lives of deserving seniors through wish granting celebrations that connect generations. Wishes granted range from simple quality-of-life wishes like dentures or lift chairs to more elaborate wishes such as meeting a favorite baseball player or a WWII veteran riding in a fighter jet. Wish recipients must be 68 and older or a permanent resident of a nursing facility. Recipients must also have a history of giving back to their community and an annual income of less than 200% of poverty level.

The *Christopher Mensch Foundation* is a non-profit 501c organization operated by the Nawalinski Family and close friends. The foundation originated in 1994 to raise funds for the Mensch Family to construct a handicap equipped bedroom and bathroom for their son Christopher. Patricia (Nawalinski) Mensch's son had been severely handicapped since he was 6 months old. Despite this, Christopher managed to touch all our lives in a way we could never imagine. Sadly, Christopher passed away at the age of 12 in February, 1997. Through the foundation's work, his smile continues to shine by helping others. Our foundation events provide an opportunity for local businesses and residents to pull together in an effort to raise money for families of handicapped children in Bucks County. These funds are utilized to provide the foundation's recipients with much needed assistance performing everyday tasks that most people take for granted. The foundation has adapted bathrooms with special equipment like shower beds and ceiling lifts. They have also funded other equipment like wheelchairs and van lifts.
